**Secret Pals:** (we did not do this in 2019) Guild members completed forms telling about themselves. Numbers were assigned to each member's form. Members drew a number which determined who their secret pal would be. They were required to provide a gift at least four times during the year and could do it more if they wanted to. The reveal was held during the December Christmas program.

**Pen Pals:** (we did not do this in 2019)

**2019 Quilt Show:** No quilt show in 2019. Next one is 2020

**New Advertisers/Vendors:**

**Vice President Challenge:**

**Loving Touch:**

We have donated 351 quilts, and 187 of those finished quilts (over half) came from your personal stash

**ATTA Girl Acknowledgement:**

I hope you saw Lee Gray's picture in the Evening Sun as she presented a quilt to a worthy recipient at the Hope Center. The guild does great work for our charities and we have Lee Gray and Peggy Mayer to thank for the hard work they do to organize this committee. Also, thanks goes to Joan Ballew for notifying the paper that Lee would be at the Hope Center on that day.

Brenda Esslinger is expanding her Art Quilting by having a show at a Paseo's Gallery One. Way to go Brenda!

Our past president, Kerry Fisbeck, won NACQJ Award of Merit in the Arkansas Village Quilt Show. If you don't know the meaning of the alphabet soup...National Association of Certified

**Membership:**

By the end of the year membership had reached **190** members.
