Quilt Show Raffle:

No quilt show in 2021

Loving Touch:

We started providing small blankets for NICU and children's surgical caps for INTEGRIS Health Edmond Hospital.

This year has been very successful in supplying those in need with quilts. 296 quilts were received from your stash, 165 from kits. Of course, of this number, there are some needing to be quilted before they can be donated. A total of 433 quilts were donated to various entities plus 127 surgical caps were donated to Integris Edmond. Your response to these needs is so appreciated. -Betty Ensz
